We are more than just a retirement community – we are part of the life of the town of Curtis!

Independent Living

The Senior Living Choices Community has beautiful one and two-bedroom cottages with garages and patios designed for Independent Living.

- ◆ These charming one and two-bedroom cottages offer the convenience and services of being associated with a senior community but the independence to come and go as you please.
- ◆ All of our cottages are designed with easy-access ground level access.
- ◆ They are also wheelchair and walker friendly.
- ◆ Small pets are also welcome.

Our Approach

Our approach is to offer you all the services you want and need so you can have hassle-free retirement living in Curtis, Nebraska.

Design your Retirement Lifestyle

You can cook in your own kitchen and entertain in your cottage and also have access to a meal plan to fit your lifestyle. Our cottages receive weekly housekeeping services, maintenance-free lawn care, snow removal, free cable and Internet and even access to gardening space.

With the cottages developed as part of Senior Living Choices Community, residents are truly part of our retirement community but you also have the peace of mind of knowing that Assisted Living services are available if your needs change.

Enjoy Small Town Living

Depending on your retirement lifestyle, our residents have access to all the amenities of a small rural town in Nebraska. From our locally renowned golf course to outdoor activities and travel across the state, there is plenty to do. The Senior Living Choices Community also offers professionally planned activities and social events.

We also offer studio & one-bedroom assisted living suites for when needs change.

“I love my new home. Everyone is so friendly here. It’s such a blessing not have the hassle of home ownership.” - One of our many happy Residents
